Dear Mr. Stein:

Congratulations on your inclusion in *The Business Journal Phoenix's Book of Lists 2005!* As the Valley construction market continues to grow and become more competitive, the recognition your business has received is a testament to your success and hard work.

The ROC's mission is to provide a licensing and regulatory system that is designed to protect the health, safety and welfare of the public. Well-established, stable contracting businesses are a critical component in this system.

It has been demonstrated time and time again that the longer a contractor is in business and the stronger its sales and customer base, the more it does to move our state forward.

I wish you continued success and thank you for doing your part to build a legacy in Arizona that we can all be proud of!

Sincerely,

Israel G. Torres
Director
